

A recorded agent execution

openai/gpt-oss-120b · workspace/user_task_0 · one clean episode

a Execution order

Arrows show observed sequence; spacing does not encode duration.

Inclusion in an outbound request does not establish model attention, source attribution or causality.

b Tool output in requests

T1	—	yes	yes
T2	—	—	yes
	R1	R2	R3

T = tool result
Model request
Repeated history can expose
the same result more than once.
